9.30am, Wednesday 29th August, 2018

at Central West Farming Systems Research Innovation Hub
(ex-LIRAC Farm), Willow Bend Rd, Condobolin

AGENDA

9.30am Arrival and welcome

1. Apologies
2. Minutes of 2017 Meeting
3. Chairman's Report
4. Financial Report for year ended 30 June 2018
5. Executive Officer's Report
6. Nomination of members for the Executive Committee of LVW
7. General Business:

10.15am Morning tea

Guest speakers

Andrew Parkes, Director, Customised Farm Management

Andrew is a founder and Managing Director of Customised Farm Management, a rural asset management firm based at Moree, and was previously the agronomist and manager of "Keytah" west of Moree. CFM directs the management of several properties in the Lachlan, and Andrew will outline CFM's overall management approach, their water management, and the opportunities and risks he sees in the Lachlan Valley.

Neil Fettell, Senior Research Scientist, Central West Farming Systems

Neil will discuss the CWFS irrigation research priorities and current projects.

Mark McKenzie, CEO, NSW Irrigators Council

Mark will cover state level issues including metering and Water Resource Plans

12.15pm Close of AGM and BBQ lunch – all members are invited to lunch

The LVW AGM is being held in conjunction with an Open Day for the opening of the new CWFS research facility, which will commence immediately following lunch.

ALL MEMBERS ARE INVITED TO ATTEND

1pm – 3pm CENTRAL WEST FARMING SYSTEMS OPEN DAY

Speakers from CWFS, GRDC, CSIRO and the Lachlan Shire Council. The opening of the research facility will be followed by a field walk and inspection of current research trials.

For catering purposes please RSVP by Monday 27th August to 6851 2538, 0427 512 538, or by email to mary.ewing@lvw.com.au
